

# **EMPLOYERS:** HERE ARE SOME WAYS TO INCREASE COVID-19 VACCINATION AND BOOSTER SHOTS AMONG YOUR EMPLOYEES

## **REQUEST A FREE MOBILE ON-SITE CLINIC**

- Free [mobile on-site clinics](#) and vaccination services are available to come to your workplace! You just need to provide the space and spread the word to your employees.
- You can also combine [COVID-19 vaccination clinics](#) with flu clinics, and include messages about the flu vaccine in your communications to employees.

## **HELP EMPLOYEES FIND A PUBLIC CLINIC**

- Promote [vaxfinder.mass.gov](https://vaxfinder.mass.gov) to your employees to locate hundreds of vaccination sites across the Commonwealth.

## **INVITE AN EXPERT TO YOUR WORKPLACE TO ANSWER QUESTIONS AT A MEETING, EITHER VIRTUALLY OR IN PERSON**

- Connect with a DPH vaccine ambassador – a public health professional experienced in community settings – [by completing this form](#).
- Connect with a clinical expert – such as an infectious disease specialist, allergist or maternal health physician – by emailing [VaccineEquityInitiative@mass.gov](mailto:VaccineEquityInitiative@mass.gov).

## **SHARE EDUCATIONAL AND AWARENESS MATERIALS THROUGHOUT YOUR WORKPLACE**

- Use [videos, flyers, and graphics](#), available in multiple languages, to help build trust in vaccine safety and efficacy.

## **HELP EMPLOYEES GET ASSISTANCE FOR COVID-19 VACCINATION WITH TRANSPORTATION AND MORE**

- Services and assistance are available including transportation to and from appointments, translation services, mobility assistance, and more. Email [VaccineEquityInitiative@mass.gov](mailto:VaccineEquityInitiative@mass.gov) for more information.

## **OFFER PAID SICK LEAVE FOR VACCINATION**

- The [COVID-19 Temporary Emergency Paid Sick Leave Program](#) requires employers to make paid leave time available to Massachusetts employees for COVID-related illnesses, quarantine, and vaccinations, and they may apply for state reimbursement.
- Paid sick leave can be used for employees to recover from COVID-related illnesses and related quarantine, as well as getting and recovering from vaccinations. This also includes an employees need to care for a family member with any of the above conditions.
